

Allegiance Health Management Acquires Three Louisiana Hospitals

Louisiana-based health system purchases LifePoint Health's facilities in Ville Platte, Eunice and Minden

SHREVEPORT, La. (July 31, 2018) — Allegiance Health Management (AHM) has finalized the purchase of three hospitals in Louisiana from subsidiaries of Tennessee-based LifePoint Health:

- Mercy Regional Medical Center of Ville Platte
- Acadian Medical Center (a campus of Mercy Regional) of Eunice
- Minden Medical Center of Minden

“Over the past months, we have been incredibly impressed by these hospital teams and their commitment to enhancing quality patient care and safety. Louisiana is our home, and we look forward to working with these hospitals to improve healthcare delivery across this region,” said Rock Bordelon, chief executive officer (CEO) of AHM. “We are delighted to add these hospitals to the AHM health system and further demonstrate our commitment to this region.”

With the purchase of Mercy Regional Medical Center, Acadian Medical Center and Minden Medical Center, the AHM health system grows to 16 hospitals strong in Louisiana, Texas, Mississippi and Arkansas. Its facilities offer a range of inpatient and outpatient services as well as post-acute care and behavioral health services.

The transition is anticipated to be seamless for patients. Providers and contact information for the hospitals will remain the same. AHM also plans to maintain all services the hospitals currently offer with plans to expand service lines as well.
